When Capt. Verney asked to procure the little girl, he gave her information as to what purpose he desired them for. "I replied Miss Adelaide. "He said he wanted them in order to act on them and they might be of use in the future. The little girl, who was named Adelaide, was a very pretty child, and her mother was very fond of her. "Hold up your own self, sir, before you marriage," that she was huzband to a rich man in Surrey.

"How then? But her uncle disdains her. He would give her my penny like to lose both—argue her. And also."

Huplink began to consider his young master as Hercy's victim. He was thoughtful, and he was not a little surprised in his own mind. At last he walked to the door on the tip of his toes and peeped into the hall. There, indeed, he looked the door open and came to his study.

"Mr Conyers," he said in a whisper, "why do you give up all that feat? You can not better yourself."

"How?"

"I can give you an idea, sir. You'll be a great deal better off in the end, if you can do a great deal in three weeks. Mr Conyers is young, inexperienced and utterly friendless. It will be easy to manage him. I will be your friend, and I will be to her assistance. If I were well paid, I think I could suggest a plan by which you would be enabled to the great Hawkhurst inheritance."

"Make use the heir of the heir, Huplink!"

"I will be your valiant as long as I live, a three times three."

All skin diseases of whatever name or nature are caused by impure blood. Buckle Bitters is a natural food for the blood. It cleanses the blood, restores a common pimples to the worst scrofulous skin.

WORTHY OF CONFIDENCE.
Those who have used the medicine know Geo. Wode writes from Memphis, Ohio, concerning Hagar's Yellow Oil: "A cure for chapped hands, and a cure for the sores of the face. I have used Hagar's Yellow Oil to all."

A Disinner Fied.—Many persons suffer from indigestion, and a hearty dinner. The food particles are like ball of lead upon the stomach, and instead of being digested, they are sent to the system. Dr. Farnes's Vegetable Pills are a secret remedy, open the stomach, convert the food into nourishment, and give the sick the medicine to take if troubled with indigestion, Dyspepsia.

A passion.—The Yellow Oil is always overshadowed by her fear.

Most distress and sickness in children is caused by worms. Dr. Wode's Vermifuge gives relief by removing the cause.

SOOTHING, CLEAN, GENTLE, HEALING.

Instant Relief, Permanent Cure, Failure Impossible.

Many so-called diseases are simply symptoms of a much deeper trouble, such as partial deafness, hoarse voice, sore throat, hay fever, headache, dizziness, nausea, general feeling of being unwell, etc., and the cause of all these may be found in a simple condition of the throat and nasal passages. Before in attempting to cure these ailments, it is important to begin by treating the throat and nasal passages. This is where the trouble is, and it is here that the cure must be made. Dr. Rosemary's Asal Balm is sold by all druggists, or will be sent post paid on receipt of a postage stamp sent to the following:

B. B. B.
CURES DYSPEPSIA.
Dear Sirs,—About a year ago I had a very bad attack of dyspepsia. For nearly six months I ate no food without suffering from it. I was getting worse all the time. I was obliged to give up my duties as a doctor. I had got no work could do, and walk, when one day I saw an advertisement for B. B. B., and thought I would try it. I took a box, and before I had finished it I was able to teach again. My bottle cured me completely. Miss ANNE STRAUB, Muskegon, Mich., U. S. A.

B. B. B.
CURES BILIOUSNESS.

DEAR SIR, - I was troubled for about 15 years with Bilious complaint, and after using about three bottles of your Burdock Blood Bitters, I feel entirely relieved, and have not had an attack for the last two years. JOSEPH GUNTER, Maxwell, Ont.

THE PREMIER.

A further improvement in his health. **OTTAWA, May 29.**—The following bulletin respecting Sir John Macdonald's health was issued this morning:

Kentville, May 29, 10 a.m.

The Premier passed a quiet and comfortable night, and this morning his physical strength shows a distinct improvement, and he was able to get up at 10 a.m.

(Signed) R. W. POWELL, M.D.

The 3rd of June.

Another Meeting of the Veterans of 1860 in the drill hall last night was largely attended. In addition to those present at the first meeting, a number of others were present, among them being Private A. T. Harris, his connection with the Belleville Rifle being dated back to the organization of that historic Company. He was one of the first to be recruited, and "when the blast of war blew in his ears" in '60, he could not resist the patriotic impulse to join the ranks of the volunteers.
